PROFILE

The background of the entire image is a dense, close-up photograph of green leaves, likely basil, with prominent veins and a slightly glossy texture. The leaves are layered, creating a sense of depth. A white rectangular frame is superimposed on the image, containing the text.

O Nile Group For Premium Food Exporting

WHO WE ARE

An alliance that combines the expertise of food supplying company, fruit and vegetable farm, seedling lab, and a food packing factory.

Our experience and diverse backgrounds allow us to cover most aspects of food ingredient production & industry.

With years of experience in seedling, farming, and supplying fruits and vegetables, we cater to both international and local food manufacturers. We guarantee the best quality products directly from the source, thanks to our agricultural and quality control experts, along with our long-standing connections in the farming field. We've provided seedlings to hundreds of farming companies in Egypt and Saudi Arabia.

O Nile Group's partners are strategically located in France, Germany, Spain, and Saudi Arabia, broadening our reach and enhancing our capabilities. This network strengthens our ability to provide top-tier food products and facilitates seamless collaboration across borders, ensuring our clients receive the highest quality products with unparalleled service excellence.

The background of the entire page is a lush, green image of leaves and branches, slightly out of focus, creating a natural and fresh aesthetic.

VISION

Our vision is to become a leading provider of high-quality food ingredients and frozen food products. We cater to a global market, offering a wide range of premium products such as fresh, frozen, and dehydrated fruits, vegetables, spices, dates, and honey. We focus on sustainability, quality, and building strong partnerships with retailers and other brands. This ensures our presence in international markets while offering nutritious and reliable food ingredients.

MISSION

Our mission revolves around providing high-quality, nutritious, and innovative food ingredients that meet the needs of both food manufacturers and consumers. We are committed to excellence in production and sourcing, offering diverse products that match international market requirements, such as FDA, Euro GAP, and White List standards while upholding high standards of food safety and quality control.
